What our wedding couples say

"We visited Greenbank Garden for the first time a couple of months after getting engaged and immediately knew that it was the perfect venue for us. It was the only venue we visited. The whole place felt so peaceful and a world away from the city, despite being only 20 minutes outside of Glasgow. The gardens were absolutely beautiful and really fun to explore."

We immediately felt relaxed in the gardens, which was the atmosphere we always wanted for our wedding – so we couldn't wait for our guests to be able to enjoy the gardens with us on the big day."
