PAPER PUFFINS

Create your very own cute puffin from a paper plate and coloured card

You will need
Paper plate
Black paint
Marker pen
Coloured card
Scissors and glue

1 Draw three semicircles on your paper plate as shown (try drawing around a bowl if you need to).

2 Colour in the shape with black paint and leave to dry.

3 Ask an adult to help you cut a small 'V' in the base and fold up so your puffin can stand. Draw one eye on each side. Cut two feet from orange card to stick to the base.

Share your creations!
Ask an adult to help you share your crafts on Insta, tagging **@nationaltrustforscotland** and **@lidlgb**

4 Cut different sizes of beak from coloured card and glue them together, drawing a line down the centre. Stick the beak to the front of the folded plate. Glue both sides of the plate together.
