The Steadings Gallery has been established for over six years in one of the renovated former farm buildings of Balmacara Square and offers a fantastic, compact exhibition space in an attractive setting near the Old Mill Pond. An excellent range of attractions and services for locals and visitors is available in the Square, including the Cosy Corner Café, Home in the Highlands, visitor information, local walks through the Coille Mhòr Atlantic Oakwood and across the Balmacara Estate generally, and free parking.

The Steadings Gallery is available to hire for any type of art or craft exhibition or workshops, for individuals or groups.

Interested parties should contact the NTS's Balmacara Estate Office to check availability, arrange a viewing and for terms and conditions.

The Steadings Gallery comprises a main gallery space (7.0m x 5.3m) with bespoke lighting, plus a small kitchen, toilets and broadband. Pictures can be hung using a professional gallery hanging system which is fully adjustable to suit requirements.

The NTS will promote all exhibitions and workshops on its Facebook page and the Events page of its website.

The cost of the space is £15 + VAT per day plus 15% commission on all sales + VAT. We also require a £50 + VAT non-refundable deposit for each booking.
